Geologic Processes of the Lower Kennebec River Valley 1:30-3:30 p.m. 4-Week Course begins 9/14. Peter Goodwin teaches. First meeting at Patten Free Library.
HOW TO PURCHASE OR BORROW BOOKS FOR YOUR CLASS

As we have previously announced, MSC will no longer be able to purchase books on behalf of students. Books that are required for a class are the student's responsibility. Please read the following guidelines:

First, determine if a book is “required” or “recommended/suggested” for your course. Go to this link to find out if your course has a book assigned.

Books may be purchased through a local bookseller (leave ample time if it must be ordered), purchased online, downloaded, or borrowed from your local library. Older out-of-copyright books are also available free or low-cost through Gutenberg and other sites.

A good way to start is to Google the book online to see what the possibilities are in both price and new or used condition. When you search for a book, use the author’s last name with the title. Note that instructors have provided “ISBN” numbers for their books. This is to ensure that all in the class obtain the same translation or edition of the book. (Having the same edition of a book may be important when a specific translation is preferred or where having the same edition may ease a class discussion.)

If you would like assistance in acquiring a book, please call the office (725-4900) or email m scoffice@midcoastseniorcollege.org.

Thank you for your support of Midcoast Senior College.
VOLUNTEER TO BE A CLASS LIAISON

Two liaisons are assigned to each class: a primary and a back-up liaison. Any student in the class may volunteer to act as a liaison. The duties are simple and it is a great way to support your teachers and senior college!

Liaison Responsibilities:

- **Attendance**: Notify the office if a student does not show up for class or discontinues attending class.
- **Class Lists**: On the first day of class, ask students to confirm that their contact information is correct.
- **Distribute class materials**: Provide materials to students as requested by the instructor.
- **Distribute and collect name “tent” cards**: Tent cards are kept in the instructor’s mailbox. The liaison will make them available for students at the start of the class and return them to the mailbox after each class.
- **Announcements**: Announcements are distributed/announced by the liaison on the first day of class.
- **Wheeler Thompson Founders Award**: Each spring we ask students to nominate an individual for this award. The liaison will distribute this form.
- **Bill Brown Excellence in Teaching Award**: Each semester we ask students to nominate an individual for this award. We will place an envelope in the instructor’s mailbox with ballots for liaisons to distribute.
- **Course evaluation forms**: At the end of the semester we ask students to complete a course evaluation form. The liaison will distribute and collect this form.

If you are interested in being a class, please send an email to: mscoffice@midcoastseniorcollege.org or call 207-725-4900.

We look forward to hearing from you!
