OPPORTUNITIES TO BE A PART OF MSC!

**Events Coordinator needed:** Midcoast Senior College has an immediate need for a person to coordinate events. As head of the Events Committee, this individual would oversee two annual faculty luncheons, the annual meeting/luncheon in June, and a summer excursion. The responsibilities for these events are shared by committee members, volunteers, and the executive director, among others. We welcome any queries and would love to hear from you! Please contact Donna Marshall at msoffice@midcoastseniorcollege.org.

**Join our Board of Directors:** Midcoast Senior College will have openings for three new board members effective July 1, 2019 to replace board members whose terms end.

This is a tremendous opportunity for someone to have a positive effect on Midcoast Senior College. The board particularly needs people to serve who have past experience and skills in the following areas: law, information technology, fund raising, and grant writing.

If you would like to…

- Know you are changing people’s lives
- Feel a sense of closeness to a mission-driven Board of Directors
- Support MSC with your skills and knowledge
- Give something back to others
- Be a leader and role model

Bartok the Refugee -
A Study of Bartok's Sixth Quartet

Béla Bartók wrote his last string quartet in 1939, while contemplating emigrating from Hungary—first to Switzerland, then to America—as a refugee. This music draws upon a venerable but widely misunderstood tradition of social protest, which resurfaces in the music of many other composers (notably Shostakovich). The DaPonte String Quartet traces its provenance from Mozart, through late Beethoven, to Bartók.
