Start To Improve and Enjoy Your Writing!

Senior Scribblers Schedule

For our discussions, we try to alternate meeting discussions between a writing topic and a writing technique. While all are subject to change as the needs and interests of our members change, the following is our list of tentative discussions for the next few weeks.

Visit MSC website for up-to-date information.

- Jan 16 Technique: Building Tension through hope, anticipation, a twist in the tale, etc.
- Jan 30 Topic: “A Candle Flicked (or Flickered).” Lots of ways to run with that!
- Feb 13 Technique: Descriptions, characters, situations, locations, etc. When to put them in or leave them out, and how to handle them well.
- Feb 27 Topic: TBA
- Mar 13 Technique: Humor. What makes it work & how to employ it in our writing.
OUR MOVIE BOARD MAKES ITS DEBUT!

Having so much fun with our new movie board! Our winter term students have begun to add their favorite quotes from movies. The first week’s quotes are true stumpers. Can you guess (without googling)? Every other week we will change the quotes, then provide the answers.
Midcoast Senior College is excited to be Brunswick Downtown Association's "January Business of the Month" two years in a row!

Stop by our display at BDA's Visitor Center
