

Legislative information about LD 2104

Here is the link to the comments from last February's hearings on LD2104 -- the Extended Producer Responsibility law proposed by the Legislature's Environment and Natural Resources Committee.

Go to the link here, then look at the menu on the left side of the page to find "Committee Info". Click there to see the comments arranged alphabetically by the name of the submitter.

I was also asked to post contact information for the two relevant people at the Natural Resources Council of Maine and the legislative sponsor.

They are:

Sarah Nichols at the NRCM, who can be reached at either 207-430-0170, or [snichols@nrcm.org](mailto:snichols@nrcm.org)

The sponsor Rep Tucker mentioned is Representative Nicole Grohoski, of Ellsworth, whose email is [Nicole.Grohoski@legislature.maine.gov](mailto:Nicole.Grohoski@legislature.maine.gov)
