

2020 Zoomin'

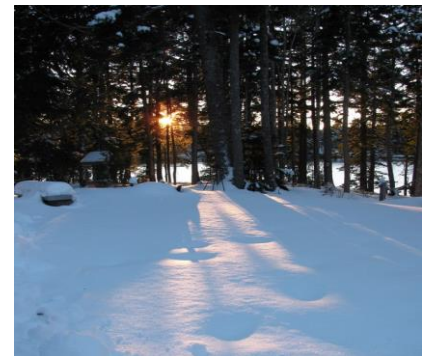

By Barbara Snapp

("Twenty twenty Zoomin" to the tune of *California Dreamin'*
and apologies to songwriters Michelle G and John E A Phillips)

All my days the same
As the world goes round
Every day I walk
Keeping safe and sound
No family trips for me
'til a vaccine is found
2020 zoomin'
While I stay homebound

Winter's come at last
The year has gone around
I see the light ahead
Hope springs from the ground
But the darkness clings
Like a masky shroud
2020 zoomin'
As I stay homebound

"Twenty twenty-one"
Words of hopeful sound
Change is in the wind
Ship of state not aground
Tunnel's light still a speck
But direction's found
2020 zoomin'
To a life unbound
2020 zoomin'
To a life unbound
