## **February Study: “A Harrowing Night with Lady Macbeth”**

**”The sublimity of Lady Macbeth and Macbeth is overwhelming: they are persuasive and valuable personalities profoundly in love with each other. Indeed, with surpassing irony**

**Shakespeare presents them as the happiest married couple in all his work. And they are anything but two fiends despite their dreadful crimes and deserved catastrophes. So rapid is the action of the play that we are given no leisure to confront their descent into hell!!” (Shakespeare Scholar Harold Bloom 1998)**

**Join us for a brief study of blind ambition, passion and defeat.**

**Our guide is MSC faculty member and Shakespeare enthusiast Joseph Coté.**

**Attendance is free of charge for current MSC members only;  
visit [midcoastseniorcollege.org](http://midcoastseniorcollege.org) to become a member.**

**Registration is required and zoom screen space is limited.**
