

Zoom at MSC

MSC uses the [Zoom](#) video conferencing system to support online classes.

Getting to Zoom for the First Time

You will get an email with a link to the Zoom meeting.

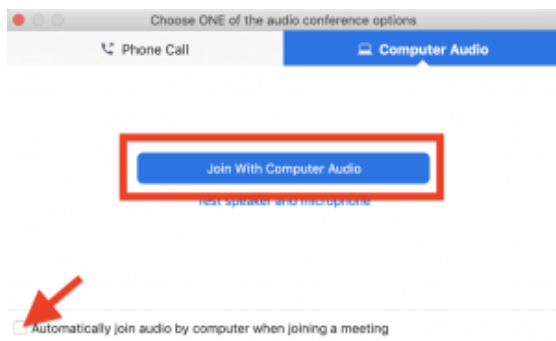

Click on that link to join the Zoom meeting. Once you click on the link, Zoom will ask you if you would like to download the Zoom application or to use your web browser. You should click “**download and Run Zoom**” to download the application:

After Zoom downloads, follow the directions on your computer to install the application.

NOTE: You will only need to install the Zoom application once. Once the app is installed, you will be asked to if you want to join the meeting with video. Choose “**Join with Video.**”

Next, you’ll be asked if you want to join with audio. Click on the big blue button that says “**Join with Computer Audio.**”

Tip: If you don’t want to be prompted for this the next time you join, check “**Automatically join audio by computer when joining a meeting.**” You will then be in the Zoom environment.

For all other meetings of that same class you will follow the same Zoom link.

Getting to Zoom the Second Time

The next time you follow a link to Zoom, you may be prompted to “Open zoom.us app.” Click on “**Open zoom.us app.**”

You'll have to follow the steps again to join your video and audio, and then you'll be taken to the meeting.
