

Homework

Look at the syllabus and plan to explore the opera for the week in whatever medium is available to you including YouTube, DVDs, CDs, or even old-fashioned LPs. In addition, don't neglect the printed word! If you currently don't have any appropriate resources, consider searching for one of the following at your public library or perhaps a used bookstore:

* **The New Milton Cross COMPLETE STORIES OF THE GREAT OPERAS**, Part 1 & 2 [out of print]

* **The Metropolitan Opera Encyclopedia** Edited by David Hamilton [out of print]

* **Blumenfeld's Dictionary of Musical Theater** Edited by Robert Blumenfeld

* **Eyewitness Companions OPERA** by Alan Riding & Leslie Dunton-Downer

* **The Oxford Illustrated History of OPERA** by Roger Parker

Here are a couple of websites for your consideration:
