

**Report to the Members of Midcoast Senior College for the June 12, 2025
Annual Meeting Midcoast Senior College
Bruce Hauptli, President**

Midcoast Senior College has been providing enriching lifelong opportunities for a quarter of a century! In the past year we have offered numerous courses, talks, excursions, and activities for our members and for many other Midcoast seniors. We have added four new sponsors (Islebrook Village in Wiscasset, Martin's Point Healthcare, Midcoast Health Hospital, and Highland Green) and their contributions along with Annual Fund contribution by our members and friends make it possible for us to maintain low membership and tuition fees as well as to be able to present some free lifelong learning opportunities. As we enter this summer there will be more excursions, activities, and talks. Keep abreast of these by receiving our emails and by checking our website.

At the Annual Meeting members will have the opportunity to reelect three members to second three year terms on our Board of Directors and also have the opportunity to elect three new members to the Board. These accomplished members of our community join our faculty, cohosts, committee members, volunteers, and staff and work to ensure we continue to fulfill our mission.

People find out about MSC primarily by word-of mouth, and this is where we need your assistance. Whether you are a friend, a member, a student, a faculty member, a committee member, or a board member *you* are in a position to introduce your friends and acquaintances to MSC. So, *all of you* are encouraged to recommend potential speakers, faculty members, committee members, and board members to MSC. Of course this can be of benefit to *them*—while you recognize the important role MSC plays in providing engaging lifelong learning opportunities, they may not even know that MSC exists. Doing this can also be of benefit to *you*—increasing the faculty and volunteers can enrich your lifelong learning opportunities, and increasing membership and enrollments helps increase our direct income.

I am pleased to announce that an active member of the MSC community has offered a \$2,500 Matching Fund donation to celebrate our faculty's continuing contributions to fulfilling our mission. To receive this gift we need to raise the matching \$2,500 from our other members and friends. Contributions can be mailed to Midcoast Senior College or made through the donation page on our website.

Thank you for your support of MSC, and please consider attending our Annual Meeting and Celebration.

Bruce Hauptli
President of Midcoast Senior College
