Reading Poetry

Assignment for week 4

This coming week we'll have the chance to hear from Bob Bunselmeyer about Isaac Rosenberg and *Break of Day in the Trenches.* Then David Spurr will take us through *The Idea of Order at Key West* by Wallace Stevens. If time allows, we'll jump back into our remaining poems from last week.

- Break of Day in the Trenches | The Poetry Foundation
- The Idea of Order at Key West | The Poetry Foundation

Please feel free to do as much research as you wish about these poems.
